It was on one of the hottest mornings of the late hot month of August, 1873, that we found ourselves perched on a high stool beside the pilot in the wheel house of the steamer Waccamaw, Capt. Julius Potter, and it was to the politeness of the last named that we owed our peculiar elevation on that occasion. The steamer swung out from her wharf and after "making up her tow," which consisted of a barque and a brig foreign bound, she proceeded down the Cape Fear River, past inclined to the opinion that he keeps the cattering inclined to the opinion that he keeps the cattering inclined to the grounds and gardens, and around the green old "dram-tree," against the steamer the "Easton," we came ture or working of metals into mathematical the buildings to my heart's content, batteries on the left; the wreck of the up the river and were placed by the chinery, every step is so plainly illus- without meeting a living soul. It is the most powerful cleauser,

eather of Spring and Summer, when the blood not in active circulation, consequently gathring impurities from sluggishness and imperring impurities from singgismiess and imper-ect action of the secretive organs, and is man-fested by Tumors, Eruptions, Blotches, Boils, Pastules, Serofula, &c., &c.

When weary and languid from over-work, and dullness, drowsiness and inertia take the place of energy and vigor, the system needs a Tonic to build it up and help the Vital Forces or regain their reconservities raws. o regain their recuperative power.
In the heat of Summer, frequently the ser and Spices do not properly perform their sections; the Uterine and Urinary Organs are ctive, producing weakness of the stomach

and intestines and a predisposition to biliou derangement. DR. WELLS' EXTRACT OF JURUBEBA is prepared directly from the SOUTH

AMERICAN PLANT, and is perfectly peculiarly suited to all these difficulties; it will cleanse the Vitiated Blood, strengthen the Lifeinfecbled Organs. It should be freely taken, as Jurubeha is pronounced by medical writers the most efficient Purifier, Tonic and Deobstruent known n the whole range of medicinal plants.
